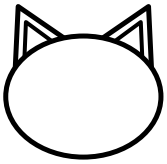
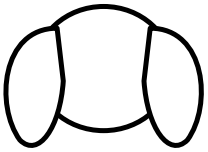
Finish the Drawing: Animals

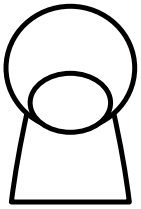
Every box has the first lines of a drawing. Finish each one your own way, then color it in.



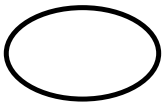
Finish the cat!



Finish the dog!

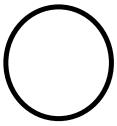


Finish the unicorn!



Finish the dinosaur!

Finish the butterfly!

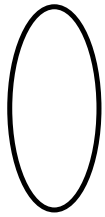


Finish the turkey!

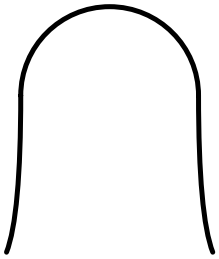
Whiteboard game: draw one starter shape on the board and let your child finish it. Then they draw a starter for you.

Finish the Drawing: Holidays

Every box has the first lines of a drawing. Finish each one your own way, then color it in.

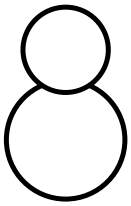


Finish the pumpkin!



Finish the ghost!

Finish the Christmas tree!



Finish the snowman!

Finish the heart!

Finish the star!

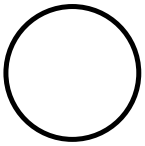
Whiteboard game: draw one starter shape on the board and let your child finish it. Then they draw a starter for you.

Finish the Drawing: At Home

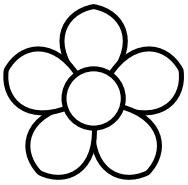
Every box has the first lines of a drawing. Finish each one your own way, then color it in.

Finish the house!

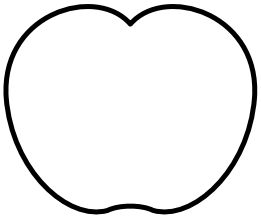
Finish the car!



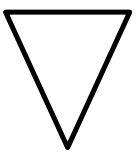
Finish the sun!



Finish the flower!



Finish the apple!

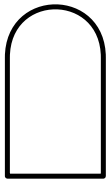


Finish the ice cream cone!

Whiteboard game: draw one starter shape on the board and let your child finish it. Then they draw a starter for you.

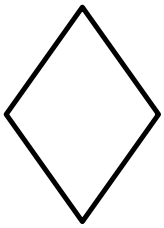
Finish the Drawing: Up, Down and Away

Every box has the first lines of a drawing. Finish each one your own way, then color it in.

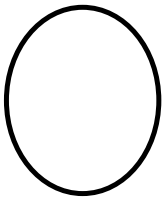


Finish the rocket!

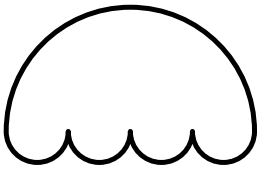
Finish the sailboat!



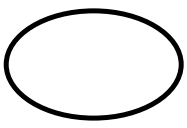
Finish the kite!



Finish the balloon!



Finish the umbrella!

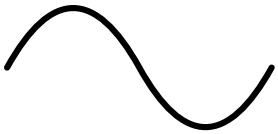


Finish the fish!

Whiteboard game: draw one starter shape on the board and let your child finish it. Then they draw a starter for you.

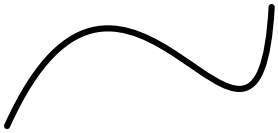
Finish the Squiggle: Squiggles

Each box has a squiggle. Turn it into a picture: an animal, a toy, a face, anything you like!

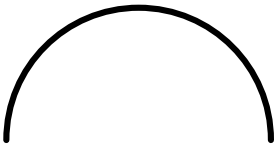


What could this be?

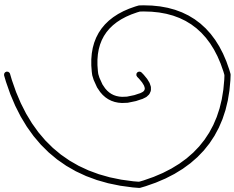
What could this be?



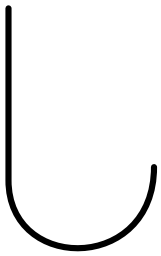
What could this be?



What could this be?



What could this be?

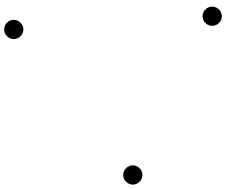


What could this be?

Whiteboard game: one player draws a squiggle, the other turns it into something. Swap after every squiggle.

Finish the Squiggle: Lines and Dots

Each box has a squiggle. Turn it into a picture: an animal, a toy, a face, anything you like!



What could this be?

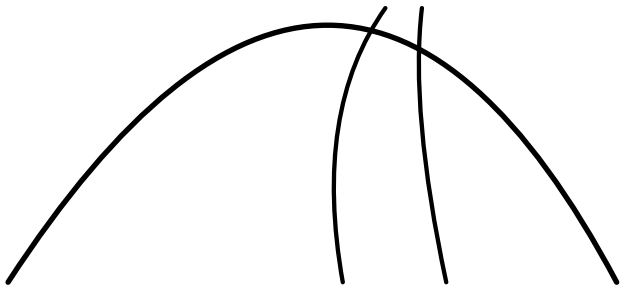
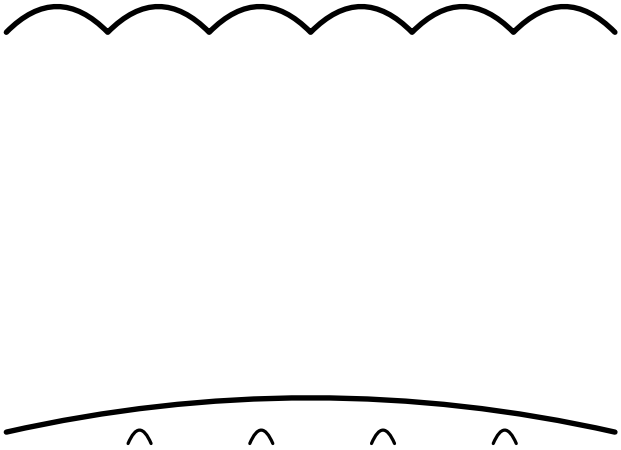
Whiteboard game: one player draws a squiggle, the other turns it into something. Swap after every squiggle.

Finish the Scene: Hill, Sea, Night and Table

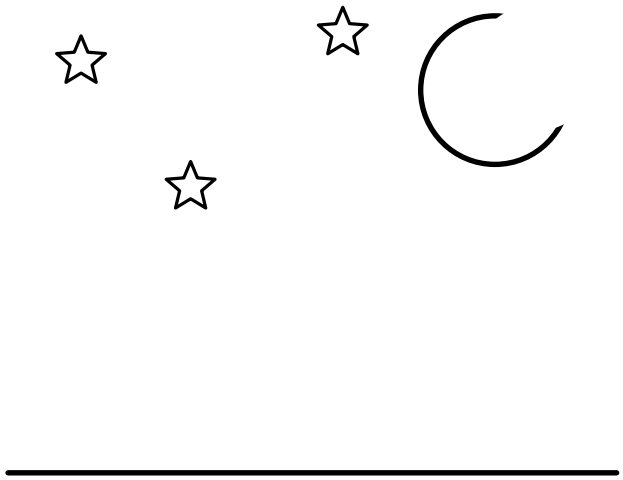
Each box is the start of a place. Draw who or what belongs there, then add as much as you like.



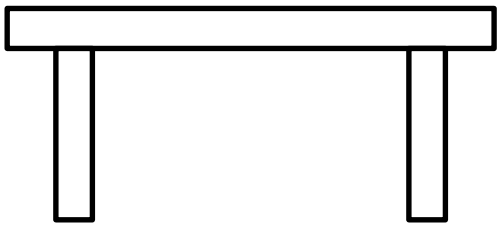
Who lives on the hill?



What swims in the sea?



What flies at night?



What's on the table?

Whiteboard game: draw a hill or a wavy sea line on the board and ask: who lives here? Everyone adds one thing in turn.
