

A black and white line drawing of a Christmas tree and gifts, designed for coloring. The tree is composed of three main sections, each labeled with a large number '3'. The top section features a star at the very top labeled '2', and three circular ornaments below it, each labeled '1'. The middle section has two circular ornaments labeled '1' and a long, curved branch. The bottom section has one circular ornament labeled '1' and another long, curved branch. To the left of the tree, the number '4' is placed. To the right, the number '4' is also placed. At the base of the tree, there are four gifts. The two gifts on the left are identical, each with a bow on top and three small circles on the front, labeled with a large '8' on the far left and a '6' on each gift. The two gifts on the right are also identical, each with a bow on top and a star on the front, labeled with a '4' on the far right and a '1' on each gift. In the center, between the two pairs of gifts, are two rectangular blocks labeled '4' and '7'. The entire scene is set against a background of a simple horizon line.
