Christmas Tree Dots and Boxes Game

69 boxes in the shape of a Christmas tree, with six star boxes.

How to Play

1. Only draw lines along the edges of the shaded squares, between two dots side by side.
2. Close the fourth side of a box: write your initial inside and take another turn.
3. Each ornament star box is worth 3 points, every other box 1. Most points wins!

Player 1: _____ Score: ☐ **Player 2:** _____ Score: ☐

Tip: try not to draw the third side of a box. Your partner will close it!
