Hangman Printable: Christmas Words

The kid-friendly way: wrong guesses build a Christmas tree, not a gallows.

How to Play

1. The word-giver picks a secret word (from the list or their own), writes the clue and draws one dash per letter.
2. The guesser says one letter at a time. Cross it off in the alphabet so nobody says it twice.
3. Right letter: write it on every dash where it belongs. Wrong letter: draw the next part of the picture.
4. Guess the whole word before the picture has all 7 parts to win. Then swap jobs.

Wrong letter? Add one part to the Christmas tree.
