Heart Dots and Boxes Game

A Valentine's Day board with 97 boxes in the shape of a heart.

How to Play

1. Only draw lines along the edges of the shaded squares, between two dots side by side.
2. Close the fourth side of a box: write your initial inside and take another turn.
3. When the whole shape is filled in, count your boxes. Most boxes wins!

Player 1: _____ Score: ☐ **Player 2:** _____ Score: ☐

Tip: try not to draw the third side of a box. Your partner will close it!
