Sea Battle Game Printable

A ship-guessing game for two players. Page 1 is for player 1, page 2 for player 2.

How to Play

1. Hide your ships on My Ocean: draw each one across or down along the squares, not touching another ship. Don't let your partner see!
2. Take turns calling one square, like B7. Your partner answers "hit" or "miss".
3. Mark your shots on Enemy Ocean: X for a hit, a dot for a miss. Mark their shots on My Ocean the same way.
4. When every square of a ship is hit, say "sunk!" and tick its box. Sink the whole fleet first to win.
