SOS Game Printable: 4 Boards

Like tic tac toe, but everyone can use both letters. Spell SOS to score.

How to Play

1. Take turns writing an S or an O in any empty square. You choose which letter every turn.
2. If your letter makes S-O-S in a line (across, down or corner to corner), draw a line through it, score 1 point and go again.
3. One letter can make more than one SOS at once: count them all. When the grid is full, most points wins.
