

Plant Life Cycle Cut and Paste

Name: _____ Date: _____

Cut out the pictures and glue them in order: seed, sprout, seedling, plant.

A diagram illustrating a sequence of four steps or stages. It consists of four empty rectangular boxes with rounded corners, arranged horizontally. Each box is outlined in green. The boxes are numbered 1, 2, 3, and 4 from left to right. The numbers are colored: 1 is red, 2 is blue, 3 is green, and 4 is pink. Between each pair of adjacent boxes, there is a black arrow pointing from the left box to the right box, indicating a sequential flow.
