Carving a Pumpkin: First, Next, Then, Last Writing

Answer Key

Look at the pictures in order. Write a sentence for each step of carving a pumpkin, starting with the word in color.

First, we pick a big pumpkin.

It is round and orange.

Next, we scoop out the seeds.

The inside is slimy!

Then, we draw a funny face.

It has a big smile.

Last, the jack-o'-lantern glows.

We put it by the door.

Sample answers: any sentence that tells the step in the right order is correct.
