Story Sequencing: Sam Builds a Sandcastle

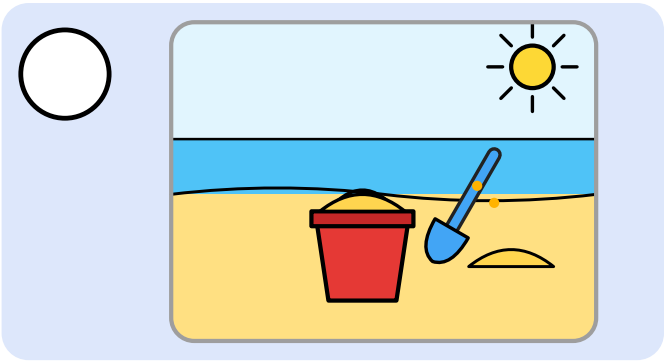

Name: _____ Date: _____

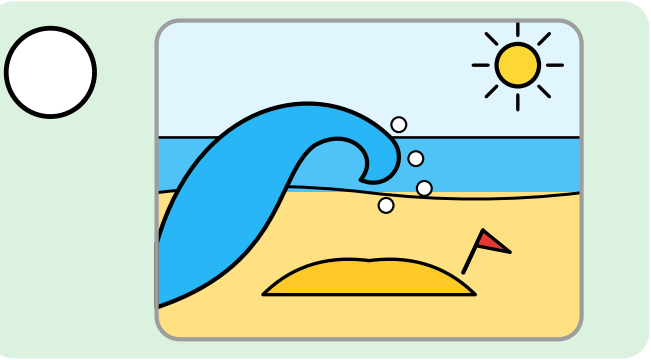

Read the story. Number the pictures 1 to 4 in story order. Then answer the two questions.

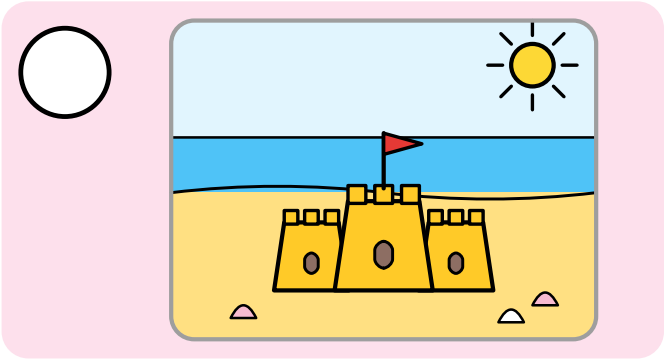

Sam's Sandcastle

Sam goes to the beach with a red bucket. First, Sam fills the bucket with wet sand. Next, Sam flips the bucket over and pats it. Then Sam lifts the bucket, and there is a castle! Sam adds a red flag and some shells. Last, a big wave comes and washes the castle away. Sam laughs and starts again.

1. What does Sam do first?

_____

2. What happens to the castle at the end?

_____

Story Sequencing: Sam Builds a Sandcastle

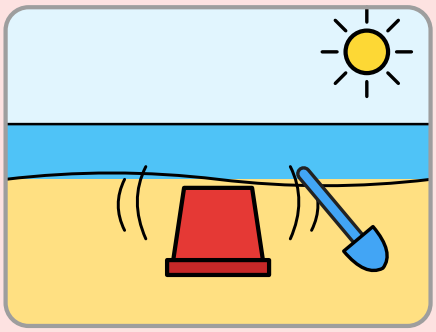

Answer Key

Read the story. Number the pictures 1 to 4 in story order. Then answer the two questions.

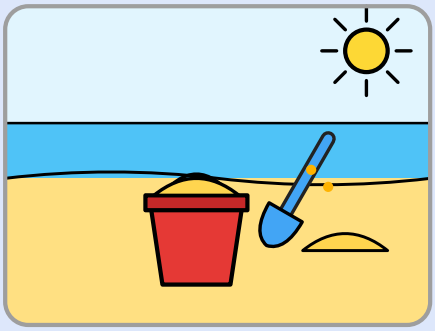

Sam's Sandcastle

Sam goes to the beach with a red bucket. First, Sam fills the bucket with wet sand. Next, Sam flips the bucket over and pats it. Then Sam lifts the bucket, and there is a castle! Sam adds a red flag and some shells. Last, a big wave comes and washes the castle away. Sam laughs and starts again.
